

Certificate No.  
Registration No.

# CERTIFICATE OF COMPLETION

*This certificate is issued to*

*for having successfully completed the training in*  
***Hydraulics/Pneumatics Control***

*Summary of Contents:*

- |  |  |
|--|--|
| • Hydraulics Control Equipment                     | • Pneumatics Control Equipment           |
| - Hydraulic Theory                                 | - Characteristics of Pneumatics          |
| - Advantages of Hydraulic System                   | - Advantages and Disadvantages           |
| - Hydraulic and Electro - Hydraulic Control System | - Symbols                                |
| - Symbols  | - Components of Pneumatic System         |
| - Basic Components of a Hydraulic System           | - Fundamental of Pneumatic Circuits      |
| - Hydraulic System in Marine Application           | - Electro - Pneumatic Control System     |
| - Hydraulic System Maintenance                     | - Marine Application of Pneumatic System |
|  | - Handling and Maintenance               |

**CAPT. ELISEO Z. CLEMENTE, JR.**  
General Manager
